Contract award

Decision made

06/10/2022

Contract award:

The tender, which is economically most advantageous, will be selected.

Tenders are compared on the basis of the following criteria:

BENCHMARK PRICE, weighting max. 100 points. Points for price shall be calculated as follows: weighting (100) x (the lowest price/the tenderer's price).

Tender comparison chart is attached to this decision.

I decide that the contract will be concluded with the lowest bidder, Simi Reality Motion Systems GmbH.

Same in Finnish:
Kokonaistaloudellisesti edullisin tarjous valitaan.

Tarjouksia verrataan seuraavien kriteerien perusteella:
Vertailuhinta max. 100 p. Hintapisteet lasketaan kaavalla halvin hinta / tarjottu hinta x 100 p.

Tarjousten vertailutaulukko on tämän päätöksen liitteenä.

Päätän, että sopimus tehdään edullisimman tarjouksen tehneen Simi Reality Motion Systems GmbH:n kanssa.
